

Wild Rabbits

OUR COMPANY

Our company was established in 2017. At Wild Rabbit Products, we manufacture healthier ready-to-eat food products with the goodness of natural vegetables, fruits, and spices.

These products are introduced through research and development processes. Since quality is our priority, we maintain stringent systems and processes to ensure the quality of our products. Therefore, we select the best suppliers and ingredients to manufacture these superior-quality products.

VISION

Connecting cultures through taste buds to lead a healthy life and uplifting living standards of our partners in progress/customers & out growers.

MISSION

Produce and introduce ready to eat vegan food products of natural vegetable and fruit for healthy society

OUR PRODUCTS

At Wild Rabbits Products, we produce a diverse range of vegan products crafted from locally sourced vegetables and fruits. Our mission is to uplift the lives of our farmers by directly sourcing from them, ensuring fair trade and sustainable practices. Our product line includes flavorful vegan vegetable spreads, zesty fruit-based hot sauces, and refreshing fruit-based cider vinegars, all designed to meet the highest standards of quality for the export market. Each product reflects our commitment to health, sustainability, and community support, bringing the best of local produce to the world.

Carrot with Spice
Wild Rabbits Products

A harmonious blend of sweet carrots and savory onions, enriched with the nutty flavor of sesame seeds. This spread offers a unique, nutrient-rich option that pairs well with bread, crackers, or as a dip for vegetables.

Banana, Peanut and Coconut Spread

Banana, Peanut, and Coconut Spread, a delicious vegan treat from Wild Rabbits Products. This unique spread combines the natural sweetness of bananas, the rich nuttiness of peanuts, and the tropical essence of coconut, creating a harmonious blend of flavors. Made from locally sourced ingredients, it is free from chemicals and added sugars, ensuring a healthy and guilt-free indulgence. Perfect for spreading on toast, adding to smoothies, or enjoying straight from the jar, our Banana, Peanut, and Coconut Spread embodies our commitment to quality, sustainability, and supporting local farmers.

Beet Root with Kochchi

This vibrant spread combines the earthy sweetness of beets with the fiery kick of kochchi chilies and the natural sweetness of dates, creating a delightful balance of flavors perfect for a healthy snack or as a spread on toast.

Bitter Gourd with Avocado

A health-packed spread that combines the distinctive bitterness of gourd with the nutritional powerhouse of moringa leaves and the creamy goodness of avocado. Ideal for those seeking a nutrient-dense, flavorful addition to their meals.

Tomato Dates Naimiris Hot Sauce, increasingly hot and intensely fired hot sauces provide a distinctively different level of heat, while still maintaining the same great taste, all of which were strategically architected to satisfy a broad spectrum of even the most discriminating hot sauce enthusiasts.

Tomato Dates Naimiris Hot Sauce

Mango Naimiris Hot Sauce

The Mango Naimiris Hot Sauce starts off subtly sweet, but finishes with a perfect level of heat, which makes this hot sauce an excellent addition to the widest variety of foods and favorite recipes!

Pineapple Naimiris Hot Sauce was uniquely crafted to provide a different mix and blend of flavors, whose ingredients include Pineapple, scotch bonnet peppers (Naimiris), lime juice, curry leaves, coriander leaves and a number of other spices including cardamom, clove carefully selected to perfectly compliment all of the other fresh and great tasting ingredients.

Pineapple Naimiris Hot Sauce

Mango Cider Vinegar

A tangy and slightly sweet vinegar made from ripe, juicy mangoes. This tropical-inspired cider vinegar is perfect for adding a fruity zest to salads, marinades, and beverages, while also providing the health benefits of traditional apple cider vinegar.

Papaya Lemon Cider Vinegar

Crafted from fresh, ripe papayas, this cider vinegar offers a unique blend of sweetness and tanginess. It's an excellent choice for enhancing the flavor of dressings, sauces, and drinks, while also supporting digestion and overall wellness.

Pineapple Cider Vinegar

Bursting with the bright, tropical flavor of pineapple, this cider vinegar brings a refreshing twist to your culinary creations. Ideal for salad dressings, marinades, and health tonics, it combines the benefits of cider vinegar with the delightful taste of pineapple.

OUR STORY

Wild Rabbits Products is your farm-to-table partner who ambitious attempt to reduce massive wastage of vegetables and fruits produced by poor local farmers fueled our passion to discover value added, ready to eat food products to nourish beautiful souls around the globe, desiring all natural, finest food, as awesome young wild rabbits.

Our products are not only delicious but also healthy, devoid of chemicals and sugars. From luscious spreads to fiery hot sauces, crisp cider vinegar, and innovative veggie and fruit-based pasta, we celebrate nature's bounty in every jar. Join us on a journey that nourishes both your palate and the planet, supporting local agriculture and reducing food waste, one delectable bite at a time.
